## Order

**IT IS, THEREFORE, ORDERED** that the Joint Motion for Consent Order Granting Pike's Pending Motions (# 37), as well as Pike's Motion to Compel Arbitration and Stay this Action Pending Arbitration (#11) and Motion to Enjoin Prosecution of a Duplicative Foreign Lawsuit (#13), are **GRANTED**. As was discussed at the status conference, the action will be stayed until March 15, 2012. The parties' expectations of an imminent settlement notwithstanding, the court strongly encourages the parties to immediately begin preparing for arbitration so that in the event that the settlement agreement is not fulfilled the matter can still be resolved by the above date. Furthermore, as requested by the parties at the status conference,

defendants Symbion Power, LLC and Symbion Power Africa, LLC are hereby enjoined from further prosecuting its foreign lawsuit against Pike Electric, LLC and Pike Tanzania, LLC.
